## Cueing Demo Observation Tool

Observer: \_\_\_\_\_ Grade/Class: \_

\_\_\_\_\_ Date/Time:

**Skill Definitions:** A Cue is a positive verbal reinforcement for any of these purposes:

**Clarification** of Expectations

Maintenance of expected behavior or activity

Redirection toward correct behavior or activity

**Directions:** Write examples of your demonstration teacher's Cues in the column labeled "Teacher Action" for the appropriate kind of Cue. For each Cue you enter, describe the "Student Response" in the column to its right

Demo Teacher:

Clarification of Expectations		Maintenance of Expectations		Redirection to Correct Activity	
Teacher Action	Student Response	Teacher Action	Student Response	Teacher Action	Student Response
